If financial circumstances necessitate payment after the 10<sup>th</sup>, special arrangements must be made in advance. Tuition for the 2009-2010 school year must be paid in full by June 10, 2010. \*At 30 days past the previous billing date, a late fee of \$15.00 will be assessed.

\*At 90 days past the previous billing date, the student shall not be allowed to attend school, without a mutually agreed upon payment plan (school and parents) being set up.

\*Tuition accounts not current (or with no payment plan in place) will not be allowed to re-register for the next school year.

\*Graduating students or students transferring to a new school will not have their school records forwarded until past due tuition or other fees are paid in full.

Families that are experiencing financial difficulties may apply for scholarship assistance prior to the May 2009 meeting of the Financial Assistance Committee. Scholarship assistance applications are available at the school.
